Please Note

- All clinic sites are scent-free. Kindly avoid the use of any personal care products with fragrances on the day of your appointment. Your cooperation is appreciated.
- Clinic appointments are 30 minutes long and are booked in advance. Please call the number provided on the schedule to book your appt.
- Your appliance will be removed at the appointment, so please bring a change of your appliance with you.
- Clinic dates may be subject to change or cancelled due to unforeseen circumstances, such as low attendance or poor weather conditions. You will be called about the cancellation if you have an appointment booked for that particular day.
- If you need to cancel or re-book your appointment please call the number listed with your clinic area.

MBTelehealth Services

MBTelehealth provides Manitobans access to health services through the use of secure technologies while overcoming the barriers of distance, time and expense. If you are interested in booking a telehealth appointment, please contact the NSWOC nurses in Winnipeg at 204-938-5757 or Brandon (Prairie Mountain Health clients) at 204-578-4205 to book your telehealth appointment.

Virtual Appointments

We are pleased to offer virtual appointments as an alternative way of connecting with an MOP NSWOC nurse. Virtual appointments allow you the comfort, flexibility and safety of staying in your own home for your ostomy assessment. Virtual appointments occur via an internet connection between the client and clinician. Some examples of the technology used for virtual appointments include Facetime and Microsoft Teams. There are some basic computer requirements (computer with video capabilities, speaker and internet access) to book a virtual appointment, so please call us to discuss if this appointment method is the right choice for you.

Winnipeg Ostomy Association

The Winnipeg Ostomy Association (WOA) has been a non-profit registered charity run by volunteers on behalf of Manitoba ostomates since 1972. The WOA offers monthly support meetings, a newsletter *INSIDE/OUT*, a website, ostomy youth camp sponsorships, and collects donations of unused ostomy supplies. For years, collaboration between WOA and MOP has provided a group of certified trained visitors who provide support, encouragement and hope for new patients following surgery.

The WOA holds meetings from September through May on the fourth Wednesday of the month at 7:30 pm. You are invited to join the meetings either in person at the Manitoba Possible building located at 825 Sherbrook street or online via Zoom. Instructions for joining the meetings will be posted on their website prior to each meeting at www.ostomy-winnipeg.ca. For more information, email Randy Hull (WOA President) at r.hull@shaw.ca or you can call the WOA at Tel: 204-237-2022. *****For MOP file closures or changes in client status within MOP, do not call the WOA; please call the MOP nursing office directly at 204-938-5757.**
