

Friends of Ostomates Worldwide Canada is a non-profit organization operated solely by volunteers. Since 1986, FOW Canada has collected and sent over 50,000 KG of ostomy supplies and literature to more than 52 needy countries. For more information go to <https://fowc.ca>

The Ostomy Manitoba Association has been a long time supporter of this organization by maintaining our membership with FOWC and sending a yearly donation to assist in shipping the donated supplies to these needy countries.
